1. MAKE A SLIP KNOT AND INSERT IN THE CORNER STITCH

9. JOIN ROUND WITH A SLIP STITCH (1ss)

Place your hook through the first stitch, yarn over, and pull yarn through all three loops on the hook.

10. MAKE FOUR CHAIN STITCHES (4ch)

Chain stitch four (as in Chapter 1 Step 3). This counts as the first treble crochet and one chain stitch.
Yarn over, skip then second stitch, then insert your hook into the third stitch (green). You will now have 4 loops on your hook.

Yarn over again and pull through the first two loops (green). You will now have 3 loops on your hook.

Yarn over again and pull through the next two loops (green). You will now have 2 loops on your hook.

Yarn over again and pull through the last two loops (green). You will now have 1 loop on your hook.

Make one chain stitch

Running along the edge of the fabric, make one double crochet in the next 18 stitches.

Repeat 1 chain stitch, one treble crochet pattern running all the way round the edge of the fabric. Make sure to work your treble crochets in every other stitch.

After the final treble crochet, make one more chain stitch.

Make a slip stitch in the third of the three chain stitches made at the beginning of the round (green).
